## Landscape Maintenance Form

---

*Thank you for considering Magnolia Green;  
we greatly appreciate this opportunity to serve you!*

*In order to provide you with the best possible service, we kindly ask that you complete our Landscape Maintenance Form. This form is needed so that we can better serve you and your landscape maintenance needs. As you will see below, there are many different ways to structure a maintenance program. Please select the items that apply to your needs and we will customize a maintenance package just for you.*

*If you have questions, need help or explanation, please do hesitate to contact us!*

---

### Services Offered

**General Maintenance** (litter removal, mowing, edging, trimming, blowing)

If you do not require one or more of the above services included in General Maintenance, please specify as to which ones you DO NOT need: \_\_\_\_\_

**General Maintenance Frequency** (check the one that best fits your needs)

1x/week   1x/10 Days   1x/2 Weeks   1x/Month   Other (please specify): \_\_\_\_\_

**Mulch** (check those that you prefer)

Pine Straw   Cypress   Pine Bark   Pine   Hardwood   Dyed:   Black   Brown   Red

**Mulch Re-Freshening Frequency** (check the one that best fits your needs)

1x/year   2x/year   Other (please specify): \_\_\_\_\_

**Fertilizer**

Slow release 14-14-14, applied 3-4 times per year, on ornamental trees, shrubs, ground cover

**Pre-Emergent**

Applied 3-4 times per year on shrub and ground cover beds

**Annual Color** (check the times per year you would like to have annual color installed)

Fall/Winter   Spring/Summer

**Annual Color Fertilization** (applied every 2-4 weeks)

**Do you like a specific species or color?** Please specify: \_\_\_\_\_

*Please see reverse side of form for additional selections*

### **Lawn/Turf Management**

This service includes addressing any lawn issues and applying chemicals or fertilizers to address such issues, or if no issues exist with your lawn, this service will help keep it that way.

### **Turf Painting**

Turf painting allows you to have a green lawn year round. It's applied after the turf goes dormant and any turf weeds are addressed. Turf paint is safe and non-toxic and will not harm the dormant turf. Paint will be removed within 1-2 mowings in Spring.

### **Over Seeding**

Over seeding is not as immediate as Turf Painting and you should be patient with the over seeding process, as it may take 1-2 months to get good cover. Please note mowing services will need to be continued during Winter.

### **Soil Samples**

Samples are taken and submitted to MSU soil department for analysis. This is a vital part of any landscape. We will perform this service one to two times per year.

### **Fall/Winter Cleanup**

Removal of leaves, limbs and other debris caused by cooler weather. We will provide this service with up to six times per non-growing season.

### **Irrigation System Inspection**

1. System Start Up: Turn on meter, test zones, check for leaks, adjust heads, and set controller
2. Inspections: Three inspections per year to review controller and check irrigation performance
3. Winterizing: Run as much water out of lines as possible, turn off controller, and turn off meter

### **Tree Trimming/Pruning**

Service is for trees accessible by ladder. If bucket truck is needed, additional fees will apply.

### **Pressure Washing**

Specify areas of your property you would like addressed: \_\_\_\_\_

### **Duration of Landscape Service Agreement** (check the one that best fits your needs)

**Seasonal** (maintenance performed during growing season only)

**Annual** (maintenance performed all year; service charges averaged over 12 month period)

**Don't see what you are looking for or have questions?** (please comment below)
